Sir:

In response to the Official Action of January 20, 2002, please amend this application as follows:

IN THE CLAIMS:

Please amend claim 12 as follows:

12. (Amended) A building unit module comprising a lattice framework formed of at least three parallel vertically oriented rectangular frame members spaced along the length of the module, each of said frame members comprising four frame sections forming a rectangle, said four frame sections having vertical and horizontally oriented frame sections to form said rectangular frame member, multiple parallel horizontal runners
